Looking for Volunteers!

The Seaview Board of Directors is in the process of reviewing our ByLaws and Covenants, which were filed in 2003, and are in need of updating. They are looking for volunteers to help review these documents.... one or both... or anyone with any suggestions on how our documents should be updated.

The Board is also looking for anyone interested in being on the Architectural Review Committee.

For either of these positions, or if you have any questions, please contact President Bob Miller: [bmiller 71198@yahoo.com](mailto:bmiller71198@yahoo.com)

Do you need your lot Bush-hogged?

Many of the undeveloped lots at Seaview have grasses up to 3 feet high and now have invasive weed trees (Russian Olive) becoming established. Dave Smullin, Seaview's Caretaker, can bush-hog your lot now so that in the spring Seaview's lawns can once again be mowed and look beautiful.

Call Dave at 757-709-4738 or email: dsmullin@verizon.net

Eastern Shore History: Seaview

There has been an air of mystery with the beautiful Lot 36 at what is now Seaview POA. All that remains is the brick foundation of what was once a classic and substantial home as shown below.

According to Whitelaw, land was transferred to family members and others frequently in the early years of the 17th and 18th century. In 1762 James and Sarah Henry re-acquired the 487 ½ acres of land from John Thompson. Probably soon after 1762, they built the large brick house which existed until the mid 1800's. In its day, the house was probably one of the finer homes, complete with handsome paneling, deep-set windows, ogee-molded bricks and doors and windows topped with a nice dentil pattern. The foundation of the kitchen annex contained a brick marked MC 1803 which was never found by the owners of this property from 2003 to 2019. In the 1845 deed, the property was called SEA VIEW which has never been changed.
