Happy Forth of July !

It was hot inland but just perfect on the Metompkin Island! It was a spectacular 4th of July in Seaview! Our Captain and Caretaker, David, who also maintains the lawns well, transported Members and their families to the Island and back. Everyone had a great time!

Beautiful Daylilies on the Shore!

On the Eastern shore we are fortunate to have Sterrett Gardens in local Craddockville (the last house on the left on Island Neck Road). This glorious garden, run by Rich and Rikki Sterrett, is generally an online operation but the Garden is open to groups and by appointment. **This year the Garden will be open to the public July 1-4 and July 8-9 from 9:00 AM to 4:00 PM.**

The beautiful Daylilies above are from Mike and Mary Massey's garden.

Vote Seaview 2022!

The Annual Meeting will be held at the **Accomack Elks, 22454 Front St. in Accomac**. The meeting will be held from **10 AM to Noon** and a light breakfast will be available. This is an extremely important Meeting because the Board is working very hard to update our Documents and they are looking for 100% participation. As we are spread out around the Country, this is not an easy task!
